

Candidate Bio: John Keith McKinney Jr.

John Keith McKinney Jr. and his wife, Felecia McKinney, have been proud members of the Maravilla community since purchasing their condo in April 2024. As owners they have witnessed the great progress that has taken place, and they have developed a deep appreciation for the neighborhood and its residents. John is eager to deepen this commitment by seeking the opportunity to serve on the Homeowners Association Board, helping to ensure that Maravilla remains a wonderful place to own property.

Professionally, John brings a versatile set of qualifications. In addition to being active small business owners alongside Felecia, a role that has fostered a strong sense of fiscal responsibility and operational management, John is both a licensed attorney working in local government and a licensed real estate agent. This unique combination provides him with a comprehensive understanding of private property law and local government regulations. His background is further strengthened by extensive public service, including volunteering in numerous local government and nonprofit positions, such as serving as President of a school board and as a board member of the local bar association.

John's diverse experience has made him highly familiar with the specific needs and governance of small local non-profit organizations. He understands the importance of transparent communication and prudent decision-making in a community setting. He feels that his legal expertise, real estate knowledge, and business background would allow him to make a meaningful contribution to the community, and he looks forward to the privilege of serving his fellow Maravilla homeowners in the future if elected.
